# SEG Deliverable 3

This first image is the screen users see when they open the app. they are prompted to sign in or create an account.
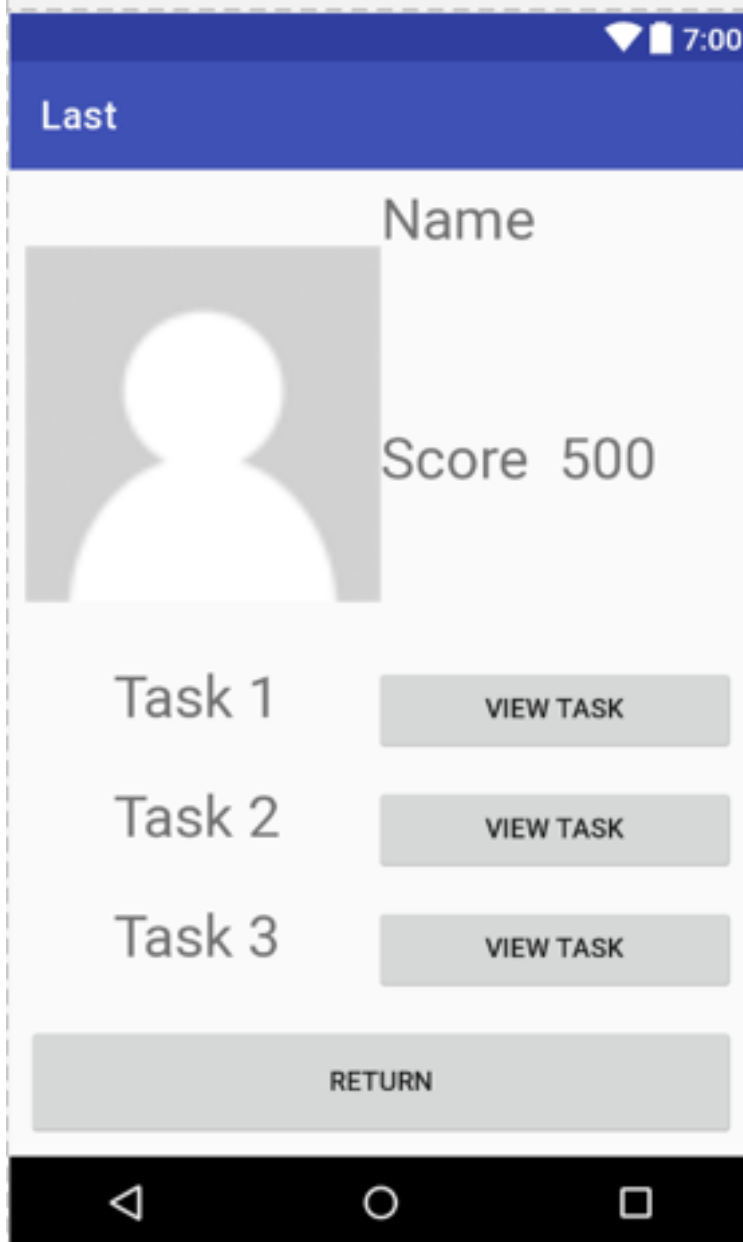

This second screen is the profile creation page.

This is the home page where users see tasks and have the ability to create new tasks.

This screen is when a user views an unassigned task. They have the options to claim it for themselves or if they are a parent they can assign the task to a child.

7:00

Name

Score 500

Task 1     VIEW TASK

Task 2     VIEW TASK

Task 3     VIEW TASK

RETURN

This is the screen for child profiles. They see their score and the tasks assigned to them.

**Profile parent**

7:00

Name

Child 1 — VIEW CHILD

Child 2 — VIEW CHILD

Task 1 — VIEW TASK

RETURN

This is the parent profile. They can view their tasks or their children's tasks.

This is the screen for viewing an assigned task.

This is the create task screen.
